

# Good To Be Alive (Hallelujah)

Andy Grammer

I've been grinding so long, been trying this shit for years  
And I got nothing to show, just climbing this rope right here  
And if there's a man upstairs, he kept bringing me rain  
But I've been sending up prayers and something's changed

I think I finally found my hallelujah  
I've been waiting for this moment all my life  
Now all my dreams are coming true, yeah  
I've been waiting for this moment

Feels good to be alive right about now  
Good, good, good, good to be alive right about now  
Good, good, good, good to be alive right about now  
Hallelujah, let that bass line move ya, say hey  
And it's good to be alive right about now

I was dead in the water, nobody wanted me  
I was old news, I went cold as cold could be  
But I kept throwing on coal tryna make that fire burn  
Sometimes you gotta get scars to get what you deserve  
I kept moving on and now I'm moving up  
Damn, I'm feeling blessed with all this love

I think I finally found my hallelujah  
I've been waiting for this moment all my life  
Now all my dreams are coming true, yeah  
I've been waiting for this moment

Feels good to be alive right about now  
Good, good, good, good to be alive right about now  
Good, good, good, good to be alive right about now  
Hallelujah, let that bass line move ya, say hey  
And it's good to be alive right about now

I almost can-, cannot handle it  
I could get u-, could get used to this  
I almost can-, cannot handle it  
I could get u-, could get used to this

I think I finally found my  
(Hallelujah, hallelujah, hallelujah, hallelujah  
Hallelujah, hallelujah, hallelujah)

Feels good to be alive right about now  
Good, good, good, good to be alive right about now  
Good, good, good, good to be alive right about now  
Hallelujah, let that bass line move ya, say hey  
And it's good to be alive right about now

Good, good, good, good to be alive right about now  
Good, good, good, good to be alive right about now  
Good, good, good, good to be alive right about now  
Good, good, good, good to be alive right about now
