

# I Found You

Andy Grammer

On the way I was crowned the king  
Felt the wind underneath my wings  
I been high and I been low  
Played the fool and the star of the show

Gone along for a wild ride  
And I can say looking in your eyes  
That it all would have been a waste  
But I found you on the way

I found cynicism  
I found criticism  
I've been the zero the hero  
And I have been the villain  
I've lost more than a heart could take  
But I found you on the way  
(On the way)

I found you, I found you  
I found you, I found you  
Oh it all would've been a waste  
But I found you on the way

On the way  
I was the given the keys  
To the city they were mine to keep  
Over time every lock will change  
But you'll love me all the same

I found pessimism  
I found skepticism  
I been the corner performer  
And sung in front of millions  
I've lost more than a heart can take  
But I found you on the way  
(On the way)

I found you, I found you  
I found you, I found you  
Oh it all would've been a waste  
But I found you on the way

Whoa-oh-oh, oh-oh-oh, oh  
Whoa-oh-oh, oh-oh-oh, oh  
Whoa-oh-oh, oh-oh-oh, oh  
Whoa-oh-oh, oh-oh-oh, oh

On the way I'll have won the race  
If the one thing that I can say

(I found you, I found you  
I found you, I found you  
It all would've been a waste  
But I found you on the way)

Whoa-oh-oh, oh-oh-oh, oh  
I found you, I found you

Whoa-oh-oh, oh-oh-oh, oh  
I found you, I found you  
Whoa-oh-oh, oh-oh-oh, oh  
I found you, I found you  
Whoa-oh-oh, oh-oh-oh, oh  
I found you on the way
