

# Love Love Love (Let You Go)

Andy Grammer

It's like  
I've been feeling like a helium balloon  
You know I'm always on the rise  
Or is this love, love, love, love, love?  
Dead winter but it feels like June  
With a smile I can't hide  
Is this love, love, love, love, love?

No defenses I'm too deep for common sense  
Well it's love, love, love, love, love  
Oh my I'm so delighted; I don't try to even fight it  
I think you should know that I will never let you go

Oh I won't, I won't let you go  
I won't let you go  
Oh I won't, I won't let you go  
I won't let you go  
Say I won't let you go now

I've been feeling like you're swimming through my hair  
You know you're always on my mind  
Is this love, love, love, love, love?  
Dead broke 'feelin like a millionaire  
With a twinkle in my eye  
Is this love, love, love, love, love?

No defenses I'm too deep for common sense  
Well it's love, love, love, love, love  
Oh my so delighted; don't try to even fight it  
I think you should know, that I will never let you go

I've been sleeping on a cloud called number nine  
Walking on the air and staring at the sky  
I can't remember ever feeling so alive  
It's like you brought me back to life  
Well you turned on all the lights, somehow

It's Like Ooh-whee  
No defenses I'm too deep for common sense  
Well it's love, love, love, love, love
