

# I Never Had A Chance

Andy Griggs

Last thing I was looking for  
When I first saw you that night  
Was someone with that something  
I couldn't walk away from  
In the early morning light  
We stayed up all night just talking  
And I didn't miss that itch to leave  
I wound up wrapped around your finger  
But that was just fine with me

I never had a chance  
I was swept away like sand  
You had me in the palm of your hand  
My heart was on the run  
I wasn't gonna fall in love  
Here I am  
I never had a chance

I bet you knew what you were doing  
Cause, baby, you sure did do it well  
You made me want you  
Like I've never ever wanted  
Ever wanted anybody else  
I'll admit I tried to fight it  
And sometimes I fight it still  
I'm finding fast that I can't leave you  
Cause loving you  
Loving you is my heart's will

I never had a chance  
I was swept away like sand  
You had me in the palm of your hand  
My heart was on the run  
I wasn't gonna fall in love  
Here I am  
I never had a chance

I never had a chance  
I was swept away like sand  
You had me in the palm of your hand  
My heart was on the run  
I never needed anyone  
Here I am

I never had a chance  
I was swept away like sand  
You had me in the palm of your hand  
My heart was on the run  
I wasn't gonna fall in love  
Here I am  
I never had a chance  
No, I never had a chance
