

She Thinks She Needs Me

Andy Griggs

She thinks I walk on water
She thinks I hung the moon
She tells me every morning
They just don't make men like you

She thinks I got it together
Swears I'm tough as nails
But I don't have the heart to tell her
She don't know me that well

She don't know how much I need her
She don't know I'd fall apart
Without her kiss, without her touch
Without her faithful loving arms
She don't know it's all about her
She don't know I can't live without her
She's my world, she's my everything
She thinks she needs me

Sometimes she cries on my shoulder
When she's lyin' next to me
She don't know that when I hold her
She's really holding me, holding me

She don't know how much I need her
She don't know I'd fall apart
Without her kiss, without her touch
Without her faithful loving arms
She don't know it's all about her
She don't know I can't live without her
She's my world, she's my everything
She thinks she needs me

Funny thing is, she thinks she's the lucky one

She don't know how much I need her
She don't know I'd fall apart
Without her kiss, without her touch
Without her faithful loving arms
She don't know it's all about her
She don't know I can't live without her
She's my world, she's my everything
She thinks she needs me
