

Can I Forget You

Andy Williams

Can I forget you?
Or will my heart remind me,
That once we walked in a moonlight dream?

Can I forget you,
Or will my heart remind me,
How sweet you made the moonlight seem.

Will the glory of your nearness fade,
As moonlight fades in a veil of rain?

Can I forget you,
When every night reminds me,
How much I want you back again.

Can I forget you,
When every night reminds me,
How much I want you back again.
