Canadian Sunset

Andy Williams

Once I was alone So lonely and then You came, out of nowhere Like the sun up from the hills

Cold, cold was the wind Warm, warm were your lips Out there, on that ski trail Where your kiss filled me with thrills

A weekend in Canada, a change of scene Was the most I bargained for And then I discovered you and in your eyes I found the love that I couldn't ignore

Down, down came the sun Fast, fast, fast, beat my heart I knew when the sun set From that day, we'd never ever part
