

## Didn't We

Andy Williams

This time we almost made the pieces fit  
This time we almost made the pieces fit  
Didn't We, girl?  
This time we almost made some sense of it  
Didn't We, girl?  
This time I had the answer right here in my hand,  
Then I touched it and it had turned to sand,  
This time we almost sang our song in tune  
Didn't We, girl?  
This time we almost made it to the moon oh,  
Didn't We, girl?  
This time we almost made our poem rhyme,  
This time we almost made that long hard climb,  
Didn't We almost make it this time?
