

Everybody Loves Somebody

Andy Williams

Everybody loves somebody sometime
Everybody falls in love somehow
Something in your kiss just told me
My sometime is now
Everybody finds somebody someplace
There's no telling where love may appear
Something in my heart keeps saying
My someplace is here

If I had it in my power
I'd arrange for every girl to have your charms
Then, every minute, every hour
Every boy would find what I found in your arms
Everybody loves somebody sometime
And although my dream was over-due
Your love made it well worth waiting
For someone like you

If I had it in my power
I'd arrange for every girl to have your charms
Then, every minute, every hour
Every boy would find what I found in your arms
Everybody loves somebody sometime
And although my dream was over-due
Your love made it well worth waiting
For someone like you
