

## Falling in Love with Love

Andy Williams

Falling in love with love is falling for make believe  
Falling in love with love is playing the fool  
Caring too much is such a juvenile fancy  
Learning to trust is just for children in school

I fell in love with love one night when the moon was full  
I was unwise with eyes unable to see  
I fell in love with love, with love everlasting  
But love fell out with me

Oh, I fell in love with love one night when the moon was full  
I was unwise with eyes unable to see  
I fell in love with love, with love everlasting  
But love fell out with me
