

## For Once in My Life

Andy Williams

Good bye, old friend,  
This is the end of the man(girl) I used to be,  
'cause there's been a strange and welcome change in me.

For once in my life I have someone who needs me,  
Someone I've needed so long,  
For once, unafraid I can go where life leads me  
And somehow I know I'll be strong.  
For once I can touch what my heart used to dream of long before  
I knew  
Someone warm like you would make my dream come true.  
For once in my life I won't let sorrow hurt me,  
Not like it's hurt me before,  
For once I have something I know won't desert me,  
I'm not alone anymore.  
For once I can say this is mine, you can't take it,  
Long as I know I have love, I can make it,  
For once in my life I have someone who needs me.

For once in my life I have someone who needs me,  
Someone I've needed so long,  
For once, unafraid I can go where life leads me  
And somehow I know I'll be strong.  
For once I can touch what my heart used to dream of long before  
I knew  
Someone warm like you would make my dream come true.  
For once in my life I won't let sorrow hurt me,  
Not like it's hurt me before,  
For once I have something I know won't desert me,  
I'm not alone anymore.  
For once I can say this is mine, you can't take it,  
Long as I know I have love, I can make it,  
For once I can feel that somebody's heard my plea,
