

Getting over You

Andy Williams

I keep your picture on my dresser
I keep your pillow on the bed
I keep believin' you still love me
I keep sayin' you'll come back again.

I keep a light on in the window
I keep it burnin' day and night
I keep sayin' didn't mean it
When you said goodbye.

Oh, I keep puttin' off gettin' over you
'Cause that would be too hard to ever do
I just can't believe you and I are through
So I keep puttin' off gettin' over you.

(Instrumental)

I know you told me to forget you
Said go and find me someone else
But I keep sayin' you're going to come back
So I keep livin' all by myself.

Oh, I keep puttin' off gettin' over you
'Cause that would be too hard to ever do
I just can't believe you and I are through
So I keep puttin' off gettin' over you.

Oh, I keep puttin' off gettin' over you
'Cause that would be too hard to ever do
I just can't believe you and I are through
So I keep puttin' off gettin' over you...
