

# Here Comes That Rainy Day Feeling Again

Andy Williams

Here comes that rainy day feeling again  
And soon my tears they will be falling like rain  
It always seems to be a Monday  
Left over memories of Sunday always spent with you  
Before the clouds appeared and took away my sunshine

Misty morning eyes I'm trying to disguise the way I feel  
But I just can't hide it people seem to know the loneliness  
Must show I'm thinking of my pride but breaking up inside girl  
Here comes that rainy day feeling again

Here comes that rainy day feeling again  
And I'll be dreaming of you baby in vain  
Your face is always on my mind girl  
I'm hoping soon you gonna find girl your  
Way back to me cause if you say you'll stay the rainy  
Days will go away.
