

# Honey (I Miss You)

Andy Williams

See the tree how big it's grown  
But friend it hasn't been too long, it wasn't big  
I laughed at her and she got mad  
The first day that she planted, it was just a twig

And then the first snow came  
And she ran out to brush the snow away so it wouldn't die  
Came running in all excited  
Slipped and almost hurt herself, I laughed till I cried

She was always young at heart  
Kinda dumb and kinda smart and I loved her so  
And I surprised her with a puppy  
Kept me up all Christmas Eve two years ago

And it would sure embarrass her  
When I came home from working late 'cause I would know  
That she'd been there a crying  
Over some sad and silly late, late show

And honey, I miss you  
And I'm being good  
And I'd love to be with you  
If only I could

She wrecked the car and she was sad  
So afraid that I'd be mad but what the heck  
Though I pretended hard to be  
Guess you could say she saw through me and hugged my neck

I came home unexpectedly  
Found her crying needlessly in the middle of the day  
And it was in the early spring  
When flowers bloom and Robins sing, she went away

And honey, I miss you  
And I'm being good  
And I'd love to be with you  
If only I could

Yes, one day while I was not at home  
While she was there and all alone the angels came  
Now all I have is memories  
Of honey and I wake up nights and call her name

And now my life's an empty stage  
Where honey lived and honey played and love grew up  
A small cloud passes overhead  
And cries down on the flower bed that honey loved

Yes, see the tree how big it's grown  
But friend it hasn't been too long, it wasn't big  
I laughed at her and she got mad  
The first day that she planted, it was just a twig

And honey, I miss you  
And I'm being good

And I'd love to be with you  
If only I could
