

# I Need You

Andy Williams

We used to laugh, we used to cry  
We used to bow our heads then, wonder why  
And now you're gone, I guess I'll carry on  
And make the best of what you've left to me  
Left to me, left to me

I need you like the flower needs the rain  
You know I need you, guess I'll start it all again  
You know I need you like the winter needs the spring  
You know I need you, I need you

And every day, I'd laugh the hours away  
Just knowing you were thinking of me  
And then it came that I was put to blame  
For every story told about me  
About me, about me

I need you like the flower needs the rain  
You know I need you, guess I'll start it all again  
You know I need you, I need you  
I need you like the winter needs the spring  
You know I need you, guess I'll start it all again  
You know I need you, I need you

I need you like the flower needs the rain  
You know I need you, guess I'll start it all again  
You know I need you, I need you  
I need you like the winter needs the spring  
You know I need you, guess I'll start it all again  
You know I need you, I need you
