

# I Wish You Love

Andy Williams

Goodbye, no use leading with our chins,  
This is where our story ends,  
Never lovers ever friends.

Goodbye, let our hearts call it a day,  
But before you walk away,  
I sincerely want to say.

I wish you bluebirds in the spring,  
To give your heart a song to sing,  
And then a kiss, but more than this,  
I wish you love.

And if you like lemonade  
To cool you in some lazy glade,  
I wish you health, and more than wealth,  
I wish you love.

My breaking heart and I agree  
That you and I could never be,  
So with my best, my very best,  
I set you free.

I wish you shelter from the storm,  
A cozy fire to keep you warm,  
Most of all, when snowflakes fall,  
I wish you love.

My breaking heart and I agree  
That you and I could never be  
So with my best, my very best,  
I set you free

I wish you shelter from the storm,  
A cozy fire to keep you warm,  
Most of all, when snowflakes fall, hot time,  
I wish you love.
