I Won't Last a Day Without You

Andy Williams

Day after day, I must face a world of strangers Where I don't belong, I'm not that strong It's nice to know that there's someone I can turn to Who will always care, you're always there

When there's no gettin' over that rainbow When my smallest of dreams won't come true I can take all the madness the world has to give But I won't last a day without you

So many times when the city seems to be Without a friendly face, a lonely place It's nice to know that you'll be there if I need you And you'll always smile, it's all worthwhile

When there's no gettin' over that rainbow When my smallest of dreams won't come true I can take all the madness the world has to give But I won't last a day without you

Touch me and I end up singing Trouble seems to up and disappear You touch me with the love you're bringing I can't really lose when you're near When you're near, my love

If all my friends have forgotten half their promises They're not unkind, just Hard to find One look at you and I know That I could learn to live without the rest I've found the best

When there's no gettin' over that rainbow When my smallest of dreams won't come true I can take all the madness the world has to give But I won't last a day without you

When there's no gettin' over that rainbow When my smallest of dreams won't come true I can take all the madness the world has to give But I won't last a day without you.
