

# It Had to Be You

Andy Williams

It had to be you  
It had to be you  
I wandered around and finally found  
The somebody who  
Could make me be true  
Could make me be blue  
And even be glad, just to be sad  
Thinking of you

Some others I've seen  
Might never be mean  
Might never be cross  
Or try to be boss  
But they wouldn't do  
For nobody else gave me a thrill  
With all your faults I love you still  
It had to be you, wonderful you  
It had to be you

Why do I do just as you say  
Why must I just give you your way  
Why do I sigh, why don't I try to forget

It must have that something lovers call fate  
Camptown saying I have to wait  
I saw them all, just couldn't fall 'til we met

Yes it had to be you  
Always had to be you  
'round and 'round, but I found  
The somebody who  
Could make me be true  
Could make me be blue  
And even be glad, just to be sad  
Thinking of you

Some others I've seen.  
Might never be mean  
Might never be cross  
Or try to be boss  
But they wouldn't do  
For nobody else gave me a thrill  
With all your faults I love you still  
It had to be you, wonderful you  
It had to be you  
My loving baby, it had to be you  
Only you
