

Just to See Her

Andy Williams

Just to see her
Just to touch her,
Just to hold her in my arms again one more time.
If I could feel her warm embrace
See her smiling face,
Can't find anyone to take her place
I've got to see her again.

I would do anything
I would go anywhere,
There's nothin' I wouldn't do
Just to see her again.

I can't hide it no - oh - oh,
I can't fight it,
It's so hard to live without the love that she gave to me,
Doesn't she know it
I tried hard not to show it, ooh - ooh,
Can't I make her realize that she really needs me again.

I would do anything
I would go anywhere,
There's nothin' I wouldn't do
Just to see her again,

She brightened up my every day
Made me feel so good in every way,
If I could have her back again (to stay),
I've got to see her again.

(Just to see her) - I want to see her,
(Just to hold her) - Hold her ... hold her ... hold her,
(Just to see her) - See - ee - ee her,
(Just to touch her) - Touch her!

I would do anything
I would go anywhere,
There's nothin' I wouldn't do
Just to see her again,
She brightened up my every day
Made me feel so good in every way,
If I could have her back today (to stay),
I've got to see her again.

It would - it would - it would
Make me feel so good,
If I - if I could only see her again,
There's nothin' I wouldn't do aaah,
Don't you know it's true,
If I could only see her again.
