Let It Be Me

Andy Williams

I bless the day I found you, I want to stay around you And so I beg you, let it be me.

Don't take this heaven from one, If you must cling to someone Now and forever, let it be me.

Each time we meet, love, I find complete love. Without your sweet love What would life be?

So never leave me lonely,
Tell me you'll love me only
And that you'll always let it be me.

Comme l'argile L'insecte fragile L'esclave docile Je t'appartiens

De tout mon Ætre
Tu es le seul maätre
Je dois me soumettre
Je t'appartiens

To you I'm praying, Hear what I'm saying. Please, let your heart beat For me, just me.

And never leave me lonely,
Tell me you'll love me only
And that you'll always let it be me,
Let it be me.
