Love Is Blue (L'Amour Est Bleu)

Andy Williams

Blue, blue, my world is blue Blue is my world now I'm without you Gray, gray, my life is gray Cold is my heart since you went away

Red, red, my eyes are red Crying for you alone in my bed Green, green, my jealous heart I doubted you and now we're apart

When we met how the bright sun shone Then love died, now the rainbow is gone

Black, black, the nights I've known Longing for you so lost and alone
