More Than You Know

Andy Williams

Loving you the way that I do
There's nothing I can do about it
Loving may be all you can give
But baby I can't live without it

More than you know, more than you know Girl of my heart, I love you so Lately I find, you're on my mind More than you know

Whether you're right, whether you're wrong Girl of my heart, I'll string along You need you so More than you'll ever know

Loving you the way that I do There's nothing I can do about it Loving may be all you can give But baby I can't live without it

How I'd cry, how I'd cry
If you got tired, and said good-bye
More than I'd show
More than you'd ever know
