

## Music to Watch Girls By

Andy Williams

The boys watch the girls while the girls watch the boys who watch the girls go by  
Eye to eye, they solemnly convene to make the scene  
Which is the name of the game, watch a guy watch a dame on any street in town  
Up and down and over and across, romance is boss

Guys talk "girl talk", it happens everywhere  
Eyes watch girls walk with tender lovin' care

It's keepin' track of the fact watching them watching back  
That makes the world go 'round  
"what's that sound? " each time you hear a loud collective sigh  
They're making music to watch girls by
