

My Coloring Book

Andy Williams

For those who fancy coloring books
And lots of people do
Here's a new one for you
A most unusual coloring book
The kind you never see
Crayons ready, very well
Begin to color me

These are the eyes that watched her
As she walked away
Color them gray
This is the heart that thought
She would always be true
Color it blue

These are the arms that held her
And touched her then lost her somehow
Color them empty now

These are the tie I wore
Until he came between
Color it green

This is the room I sleep in
I walk in and weep in
And hide in that nobody sees
Color it lonely, please
This is the girl
Whose love I depended upon
Color her gone...
