

Near You

Andy Williams

There's just one place for me near you
It's like heaven to be near you
Times when we're apart I can't face my heart
Say you'll never stray more than just two lips away

If my hours could be spent near you
I'd be more than content near you
Make my life worthwhile by telling me that
I'll spend the rest of my days near you

There is just one place for me
I'm happy when I'm near you
It's wonderful as heaven, a special kind of heaven
But only when I'm near you

Times when we're apart I wonder how I can face my heart
Say you'll never stray more than just two lips away

If my waking hours could be spent while near you
I would be content, wonderfully content, just to be near you
Make my life worthwhile by telling me that
I'll spend the rest of my days all of those happy, happy days
So near you
