

Noelle

Andy Williams

I'll catch a moonbeam to make you a gown
Snowflakes to wear in your hair like a crown
And you'll wear them well
Noelle, Noelle

Rainbows will make you a ring for your hand
Stardust will carpet your own wonderland
There you'll always dwell
Noelle, Noelle

You're the smallest miracle
That I will ever see
But you're the greatest thing
That ever happened to me

Angels will whisper to bring you a breeze
I'll make you music from their melodies
This I can foretell
For you, for you
Noelle
