

# One Sweet Day

Andy Williams

Sorry I never told you  
All I wanted to say  
And now it's too late to hold you  
Cause you've flown away  
So far away

Never had I imagined  
Living without your smile  
Feelin, knowin' you hear me  
It keeps me alive, alive

And I know you're shining  
Down on me from heaven,  
Like so many friends  
We've lost along the way  
And I know eventually  
We'll be together (together)  
One sweet day

I'll wait patiently  
To see you in heaven.

Darlin' I never showed you (no no no)  
Assumed you'd, always be there  
And I, I took your presence for granted  
But I always cared (I always cared)  
And I miss the love we shared

And I know you're shining  
Down on me from heaven,  
Like so many friends  
We've lost along the way  
And I know eventually  
We'll be together (together)  
One sweet day

Although the sun will  
Never shine the same  
I'll always look  
To a brighter day

Yeah yeah and Lord I know  
When I lay me down to sleep  
You will always listen as I pray

And I know you're shining  
Down on me from heaven,  
Like so many friends  
We've lost along the way  
And I know eventually  
We'll be together (together)  
One sweet day

And I know you're shining  
Down on me from heaven,  
Like so many friends  
We've lost along the way

And I know eventually  
We'll be together (together)  
One sweet day

Sorry I never told you  
All I wanted to say
