Pretty Butterfly

Andy Williams

You tell me you love me, you say you'll be true Then you fly around with somebody new But I'm crazy about you, you butterfly

You treat me mean, you're makin' me cry I've made up my mind to tell you goodbye But I'm no good without you, you butterfly

I knew from the first time I kissed you That you were the troublin' kind 'cause the honey drips from your sweet lips One taste and I'm outta my mind

I love you so much I know what I'll do I'm clippin' your wings, your flyin' is through 'cause I'm crazy about you, you butterfly

Ooh, I'm crazy about you, you butterfly Ooh, I can't live without you, you butterfly

I knew from the first time I kissed you That you were the troublin' kind 'cause the honey that drips from your sweet lips One taste and I'm outta my mind

Ooh, I love you so much I know what I'll do I'm clippin' your wings, your flyin' is through 'cause I'm crazy about you, you butterfly

You butterfly You butterfly
