Put a Little Love in Your Heart

Andy Williams

Think of your fellow man, lend him a helping hand Put a little love in your heart You see, it's getting late, oh, please don't hesitate Put a little love in your heart

And the world will be a better place And the world will be a better place for you and me You just wait and see

Another day goes by, and still the children cry Put a little love in your heart If you want the world to know, we won't let hatred grow Put a little love in your heart

And the world will be a better place And the world will be a better place for you and me You just wait and see. Wait and see

Take a good look around and if you're lookin' down Put a little love in your heart I hope when you decide kindness will be your guide Put a little love in your heart And the world will be a better place And the world will be a better place for you and me You just wait and see Put a little love in your heart Put a little love in your heart
