

# Song Sung Blue

Andy Williams

Song sung blue  
Everybody knows one  
Song sung blue  
Every garden grows one

Me and you are subject to the blues now and then  
But when you take the blues and make a song  
You sing them out again  
Sing them out again

Song sung blue  
Weeping like a willow  
Song sung blue  
Sleeping on my pillow

Funny thing, but you can sing it with a cry in your voice  
And before you know, start to feeling good  
You simply got no choice

Me and you are subject to the blues now and then  
But when you take the blues and make a song  
You sing them out again

Song sung blue  
Everybody knows one  
Song sung blue  
Every garden grows one

Funny thing, but you can sing it with a cry in your voice  
And before you know, start to feeling good
