

## Speak Softly Love (Love Theme from 'The Godfather')

Andy Williams

Speak softly, love  
And hold me warm against your heart  
I feel your words  
The tender trembling moments start  
We're in a world, our very own  
Sharing a love that only few have ever known

Wine-colored days warmed by the sun  
Deep velvet nights when we are one

Speak softly, love  
So no one hears us but the sky  
The vows of love  
We make will live until we die  
My life is yours and all because  
You came into my world with love so softly love

Wine-colored days warmed by the sun  
Deep velvet nights when we are one

Speak softly, love  
So no one hears us but the sky  
The vows of love we make will live until we die  
My life is yours and all because  
You came into my world with love so softly love
