

# Suddenly There's a Valley

Andy Williams

When you've climbed the highest mountain  
When a cloud holds the sunshine in  
Suddenly there's a valley  
Where the Earth knows peace with men

When a star hides the distant rainbow  
And you think you can't find a friend  
Suddenly there's a valley  
Where friendships never end

Touched only by the season  
Swept clean by the rain  
Surveyed by every bluebird  
And kissed by the falling rain

When you think there's no bright tomorrow  
And you feel you can't try again  
Suddenly there's a valley  
Where hope and love begin  
Suddenly there's a valley  
Where hope and love begin
