

Where's the Playground, Susie?

Andy Williams

The shadow of your smile
When you are gone
Will colour all my dreams
And light the dawn

Look into my eyes, my love, and see
All the lovely things, you are, to me

Our wistful little star
It was far, too high
A teardrop kissed your lips
And so, so did I

Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile
