

Drowning in Those Eyes

Ane Brun

It's like you're standing on my chest
Looking down looking down
With your eyes at me at me
I am drowning in those eyes
I am drowning in those eyes
I am drowning in those eyes

I can't breathe
Oh, you are
I can't breathe
With you on top of me
It's like your standing on my chest
Looking down
Looking down
With your eyes at me at me
