

## Drowning in Those Eyes

Ane Brun

It's like you're standing on my chest  
Looking down looking down  
With your eyes at me at me  
I am drowning in those eyes  
I am drowning in those eyes  
I am drowning in those eyes

I can't breathe  
Oh, you are  
I can't breathe  
With you on top of me  
It's like your standing on my chest  
Looking down  
Looking down  
With your eyes at me at me
