

## Lift Me

Ane Brun

Lift me, lift me from the ground  
And don't ever put me down, oh no  
And don't pick a fight with me  
Just flip a coin my love, you've won

Oh Love, slips her hand inside my hand  
Oh Love, slips her hand inside my hand  
I don't care if you don't want me  
I'm yours, I'm yours right now

Our years, are years well spent  
We may never find out where they went, oh no  
And I don't mean to fight with you  
Now all our troubles and all our struggles they are through

Oh Love, slips her hand inside my hand  
Oh Love, slips her hand inside my hand  
I don't care if you don't want me  
I'm yours, I'm yours right now

The wolf and the fox  
They're sleeping soundly with the elk and the ox  
There's a starry field around  
This lowlit kingdom  
Where all our defences are down

Oh Love, slips her hand inside my hand  
Oh Love, slips her hand inside my hand  
I don't care if you don't want me  
I'm yours, I'm yours right now

Wrecked, poor, naked and blind  
I'm yours, I'm yours, right now
