## **Ane Brun**

Yesterday we did it again We did what we're supposed to What is expected of This constallation of two

Oh- it's what I want It's what I want it's what I like it's what I like

don't let anybody tell you different
don't let them know
oh, it's what I want
it's what I want

You say that filling me Is what's filling you Don't tell them what What fills you more
