

Tu-Whit Tu-Whoo

Aneka

By the house that you call home
Lies the evil and the scared
Pass the saints through the heaven gates
We can hide out there
I've known you all my life tonight
And I won't let that go
I've known you all my life tonight

On the Highland borderline it brings us back
When we were kids
Pictures of our dead loved ones
The night is young so don't be scared
I've known you all my life tonight and I won't let that go
I've known you all my life tonight
