

# You're a creep

Aneta Langerová

I know it's really late but  
I had to call you  
Something that I've gotta say  
Saw you at the movies with your new trophy  
I can't believe it's been just a day

Since we were holding each other now  
I know

You're a creep  
And I wish that I'd never met you  
You're a creep  
Just a scurvy little dog in the street  
You're a creep

I know it sounds crazy, but I thought that maybe  
All we needed was time  
But it seems you recovered with your new lover  
Cause everything we had was a lie

You said you'd die without me, but you're still

You're a creep  
And I wish that I'd never met you  
You're a creep  
Just a scurvy little dog in the street  
You're a creep, yeah, yeah  
You're a creep, yeah, yeah

Can't believe that I gave you the best of me  
But, baby, now it's your turn to hurt  
Hurt, you know how to hurt

You're a creep  
And I wish that I'd never met you  
You're a creep  
Just a scurvy little dog in the street  
You're a creep  
And I wish that I'd never met you  
You're a creep  
Just a scurvy little dog in the street

I know it's really late, but I should be going  
But I just wanted to say

You're a creep
