

# Angel

Anette Olzon

I wonder where you are tonight - If heaven is your home  
It's so hard to believe - Your memory will never fade away

Somedays it's like you are here with us  
Still waiting for your phonecall - But you won't no more

I lay awake and watch the shadows at night  
Wishing you were here to stay  
Now I wish that you could guide us - thru tears and pain and make us smile again - Angel

So many questions unanswered - So many words unsaid  
Beautiful is the life you gave - Life we raise in hope to make you proud

I don't know - how much you've paid to live  
Still searching for an answer - Only you could give

I lay awake and watch the shadows at night  
Wishing you were here to stay  
Now I wish that you could guide us - thru tears and pain and make us smile again - Angel

I want to wake up and see that everything's ok - See the sadness in her eyes fade away - Your presence will remain

I lay awake and watch the shadows at night  
Wishing you were here to stay  
Now I wish that you could guide us - thru tears and pain and make us smile again - Angel  
I hope you've found your place in heaven so safe  
How could life turn out this way  
Now I see clouds that shape your shadow  
In memory to one we loved the most - Angel - Angel
