

Sodomy Curse

Angel Corpse

Garden of earthly delights is mounting flames
We are burning the way to paradise

The lust for vengeance shall not despair
Blood and sperm-agony
War declared-now hear this...

Sodomy Curse

Fertile semen corrupted to vile seed
Obelisk of swollen beauty
Desperate ablution
Pollution

Sodomy Curse

Disgrace wept bitter tears
Spit wipes away but what of the shame

Sodomy Curse

Sodomy...
