

## Backseat

Angel Haze

Angel got a dream? Haaa  
Murder everything, haaaa  
Yeah, yeah

All our lives we only want it to... but  
Nothing compares to them knowin' they can't stop us  
Throw your hands up, know anything is possible yeah  
Bitch sprite in, these are mother\*cking cops  
Goddamn I'm still the greatest where I didn't backseat for ages  
Feel a lot of... time be wasting and I swear I'm still underrated  
They grab me to these haters  
Told them bitches to follow me  
What to making to these... put my way and outside of me  
Bitch I'm now... pot to be  
Nigga... your words and...  
They run the best...  
Yall niggas ain't made some mockery  
Had to let my treatments...  
Go kill kill kill kill, it's a mother\*cking policy  
Never f\*ck the brain it's a grave you  
Y'all bitches ain't need to save ya  
... that made you, tell the bitches better keep the nature  
Then it's my job to kill you hoe,  
I guess that's leave me the play gus,  
It's my job to tell you hoe...  
I never really wanted with the same hot,  
In the brain people with the same dot,  
In a world with an A... stay true,  
Got a bunch of mother\*cker stay hot,  
I ain't f\*cking with niggas they all intimidated,  
You ain't getting no p\*\*sy, just keep on masturbatin  
You niggas f\*cking with saking,  
F\*ck playin with fire I keep hands off in this bitch  
You must now address me with sire  
Bitches check my attire,  
All of the finest... of f\*cking angel of death,  
They want it and they can have it,  
I'm sorry I'm going maniac  
Insanity is a habit, I now leave your proper English  
... just to grab em, busy getting my waiter,  
Told em my... and murder pronounce some dead  
And my... enough to bury... but whatever you earn  
I murder who ever send it, shit pop building make that bay  
'cause poppin' p\*\*sy is a relative, some of you I ain't tellin'  
Most of you niggas can't get the line,  
If you listen closely you understand at the time mine,

Bitch, and you got a dream? Bitch  
Murder everything, bitch.

All my life I only wanted to profit,  
Nothing compares to them knowing they can't stop us  
Throw your hands up know anything is possible,  
This right here, please the mother\*cking gospel,

This is just beginning  
This is just the month,

This is just the... , bitch.
