

Backseat

Angel Haze

Angel got a dream? Haaa
Murder everything, haaaa
Yeah, yeah

All our lives we only want it to... but
Nothing compares to them knowin' they can't stop us
Throw your hands up, know anything is possible yeah
Bitch sprite in, these are mother*cking cops
Goddamn I'm still the greatest where I didn't backseat for ages
Feel a lot of... time be wasting and I swear I'm still underrated
They grab me to these haters
Told them bitches to follow me
What to making to these... put my way and outside of me
Bitch I'm now... pot to be
Nigga... your words and...
They run the best...
Yall niggas ain't made some mockery
Had to let my treatments...
Go kill kill kill kill, it's a mother*cking policy
Never f*ck the brain it's a grave you
Y'all bitches ain't need to save ya
... that made you, tell the bitches better keep the nature
Then it's my job to kill you hoe,
I guess that's leave me the play gus,
It's my job to tell you hoe...
I never really wanted with the same hot,
In the brain people with the same dot,
In a world with an A... stay true,
Got a bunch of mother*cker stay hot,
I ain't f*cking with niggas they all intimidated,
You ain't getting no p**sy, just keep on masturbatin
You niggas f*cking with saking,
F*ck playin with fire I keep hands off in this bitch
You must now address me with sire
Bitches check my attire,
All of the finest... of f*cking angel of death,
They want it and they can have it,
I'm sorry I'm going maniac
Insanity is a habit, I now leave your proper English
... just to grab em, busy getting my waiter,
Told em my... and murder pronounce some dead
And my... enough to bury... but whatever you earn
I murder who ever send it, shit pop building make that bay
'cause poppin' p**sy is a relative, some of you I ain't tellin'
Most of you niggas can't get the line,
If you listen closely you understand at the time mine,

Bitch, and you got a dream? Bitch
Murder everything, bitch.

All my life I only wanted to profit,
Nothing compares to them knowing they can't stop us
Throw your hands up know anything is possible,
This right here, please the mother*cking gospel,

This is just beginning
This is just the month,

This is just the... , bitch.
