

## Crown

## Angel Haze

Stepped up in the game  
But dropped a motherfucker on his head  
Promise everybody in this motherfucker gon be dead  
Killin shit, killin' it. all my supervillan shit  
Fuck the label, then applaud. I'm the name that's filling in  
My brain is some substellar bitch, my tongue is like a billiard kid  
Learned to deal to anything, droppin' like a heavy rain  
Hard flow, bars dope, I'll connect to god though  
Wish a bitch would and I'mma box'em like some cardboard  
Playing fucking stupid but I be on my blunt and honest shit  
Who you kid with me to put em on that only one insist  
I'm lyrically giullotine my body's just a killing beast  
I'm like fucking world war one you niggas can't give into me  
You bitches wanna be like me, I'm who you pretend to be  
Say I don't stunt shit. you gotta be kidding me  
Everybody tougher then but nothing in this industry  
Come and take a look, I'm the realest and you finna see

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands up now  
Put em' up put em'  
Pull the sky down

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands right now  
Put em' up put em'  
Pull the sky down

Drop those bombs uh, drop that beat like  
Brought it like red dogs, strong on this beat like  
Bit it like teeth, knocked out in a street fight  
She's like yeah bitch I'm on like  
Look at the bitch that's true  
Naw man that's shit just to get her through  
Bitch get outta my way or I'll run my crew  
Get outta this place or you'll meet my crew  
Get outta my face or you'll meet my shoe  
You only met me that's alright I told you  
Bitch I'm in this bitch I'm bout to greet my space I'm cutting you

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands up now  
Put em' up put em'  
Pull the sky down

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands right now  
Put em' up put em'  
Pull the sky down

Spitting like a heavy weight, there's lots of this to handle  
Drop it on a motherfucker its hotter than an ample  
Who you think you kidding bitch I'm hotter than a handful

I'm bout these motherfuckers for they flaming like candles  
Everything I do, I do to prove that I am good at it  
Bitch you think you pumped well I'm lyrically a sweater to you  
Catch me in the world bro, doin what I said id do  
All hell is waiting bitch, put me on the pedestal  
And I'm lockin' runnin' I'm gunnin I never stop the beat  
Actin' like you good bitch, fuck your home I punish you  
Bitch I came to kill shit, literally kill shit  
I take a bitches life right, got em' on that trill shit

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands up now  
Put em' up put em'  
Pull the sky down

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands right now  
Put em' up put em'  
Pull the sky down

Gimme one time bitch gimme one crown  
I'm the I'm the queen bitch gimme my bounce  
Everybody lemme see your hands right now  
Put em' up put em'  
Pull the sky down
