

Oh Holy Night

Angel

Oh holy night the stars are brightly shining
It is the night of my dear saviours birth
Long lay the world in sin and error pining
Till he appeared and the soul felt its worth
A thrill of hope the weary soul rejoices
For yonder breaks a new and glorious morn

C Fall on your knees
H Oh hear the angle voices
O O night divine
R O night when Christ was born
U O night, O holy night
S O night divine

Led by the light of faith serenely beaming
With glowing hearts by his cradle we stand
So led by the light of a star sweetly gleaming
Here came the wise men from Orient land
The King of kings lay thus in lowly manger
In all our trials born to be our friend

[Chorus]

Truly he taught us to love one another
His law is love and his gospel is peace
Chains shall he break for the slave is our brother
And in his name all oppression shall cease
Sweet hymns of joy in grateful chorus raise we
Let all within us praise his holy name

[Chorus]
