

Always Getting Over You

Angela Ammons

Was it not enough stimulation
Hit by a brick the other day, just when I thought I'm okay
Didn't like my conversation
I can't come up with something new
It doesn't really matter what I do

So here's my observation
You could never see it through my eyes
And I'm too tired to try

So don't call and say you're coming back for me
It don't mean nothing I'm always getting over you
And don't' lie and say that you're over me
It don't mean nothing I'm always getting over you

Was it too much aggravation
You're telling me the way but I won't see
Then I change my mind you disagree
I used to be your inspiration
You chase I run you disappear
I know it's never over
So don't call and say you're coming back for me
It don't mean nothing I'm always getting over you

And don't lie and say that you're over me
It don't mean nothing I'm always getting over you
Was it not enough stimulation
Hit by a brick the other day, just when I though that I'm okay
Didn't like my conversation
I can't come up with something new
It doesn't really matter what I do

So don't call and say you're coming back for me
It don't mean nothing I'm always getting over you
And don't' lie and say that you're over me
It don't mean nothing I'm always getting over you

Don't lie and say you're over me
