

## Always Getting Over You

Angela Ammons

Was it not enough stimulation  
Hit by a brick the other day, just when I thought I'm okay  
Didn't like my conversation  
I can't come up with something new  
It doesn't really matter what I do

So here's my observation  
You could never see it through my eyes  
And I'm too tired to try

So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you  
And don't' lie and say that you're over me  
It don't mean nothing I'm always getting over you

Was it too much aggravation  
You're telling me the way but I won't see  
Then I change my mind you disagree  
I used to be your inspiration  
You chase I run you disappear  
I know it's never over  
So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you

And don't lie and say that you're over me  
It don't mean nothing I'm always getting over you  
Was it not enough stimulation  
Hit by a brick the other day, just when I though that I'm okay  
Didn't like my conversation  
I can't come up with something new  
It doesn't really matter what I do

So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you  
And don't' lie and say that you're over me  
It don't mean nothing I'm always getting over you

Don't lie and say you're over me
