

# I Wanna Love Somebody

Angela Bofill

Oh, oh oh oh

yeah ay ay ay

There's someone on my mind tonight  
I don't know where he's coming from  
I hope I'm not just making this up

I've got good intuition  
Not one for superstition but when  
It comes to loving somebody  
I'll believe most anything  
'Cause I long for my heart to share a love everlasting

I wanna love somebody  
I wanna love somebody  
Someone to climb to heaven with me

Oh ho, oh, oh

I wanna love somebody  
Yes I'm gonna love somebody  
Someone who wants to love only me  
Oh ho, oh, oh

I'm walking on a thin line  
I'm trying to believe that in time  
Someone will dream about me all night

They say you just gotta wait  
That love come with fate  
But I know that there's a star made for everyone  
And it's watching over me  
If I could only see him, have him, hold him, know him

I wanna love somebody  
I wanna love somebody  
Someone to climb to heaven with me

Oh,

I wanna love somebody  
Yes I wanna love somebody  
Someone who wants to love only me

Oh,

I wanna know his name  
I wanna feel his pain  
Cause once I love him it will be forever  
And that's the way it could be  
And that's the way it should be

Oh,

I wanna love somebody (I wanna love somebody)  
I wanna love somebody (oh oh)

Someone to climb to heaven with me

Love only me

I wanna love somebody (I wanna love somebody)  
I wanna love somebody

(Oh oh oh)

To heaven with me

Love only me

I wanna love somebody (I wanna love somebody)  
I wanna love somebody  
'Till the end of time
