```
Oh, oh oh oh
yeah ay ay ay
There's someone on my mind tonight
I don't know where he's coming from
I hope I'm not just making this up
I've got good intuition
Not one for superstition but when
It comes to loving somebody
I'll believe most anything
'Cause I long for my heart to share a love everlasting
I wanna love somebody
I wanna love somebody
Someone to climb to heaven with me
Oh ho, oh, oh
I wanna love somebody
Yes I'm gonna love somebody
Someone who wants to love only me
Oh ho, oh, oh
I'm walking on a thin line
I'm trying to believe that in time
Someone will dream about me all night
They say you just gotta wait
That love come with fate
But I know that there's a star made for everyone
And it's watching over me
If I could only see him, have him, hold him, know him
I wanna love somebody
I wanna love somebody
Someone to climb to heaven with me
Oh,
I wanna love somebody
Yes I wanna love somebody
Someone who wants to love only me
Oh,
I wanna know his name
I wanna feel his pain
Cause once I love him it will be forever
And that's the way it could be
And that's the way it should be
Oh,
I wanna love somebody (I wanna love somebody)
I wanna love somebody (oh oh)
```

Someone to climb to heaven with me

Love only me

I wanna love somebody

(Oh oh oh)

To heaven with me

Love only me

I wanna love somebody (I wanna love somebody)

I wanna love somebody

'Till the end of time
