

On And On

Angela Bofill

On and on, the love goes on and on
And I cry for you, I can't get over you, oh
On and on, the feeling's twice as strong
And I can't get used to being without you

Who said that lie? Well, it doesn't matter why
I guess we'll never figure where we went wrong
I try to write it off but I can't forget the lost
The feeling so strong but still it goes on and on and

On and on, the love goes on and on
And I cry for you, I can't get over you
On and on, the feeling's twice as strong
And I can't get used to being without you

I just heard a song playing on the radio
It reminds me of the way we used to go
A slice of paradise and there was heaven in my life
We try to face it away but still it goes on and on and

On and on, the love goes on and on
And I cry for you, I can't get over you
On and on, the feeling's twice as strong
And I can't get used to being without you, oh

On and on and on, the love goes on and on
And I thrive for you, I can't get over you
On and on, on and on, on and on and on and on
And I can't get used to being without you

On and on, on and on, on and on and on and on
And I can't get used to being without you
On and on, and on, oh
